ZAKOŃCZENIE 1

Wspaniale! Udało Wam się ustalić bezpieczne trasy, możecie łapać filary, wskakiwać na miotły i pędzić jakby sam chaos Was gonił... w zasadzie jeszcze chwila zwłoki i tak będzie w istocie. Tak więc, w drogę!

ZAKOŃCZENIE 2

Pozostało wam zaryzykować i polecieć na skrajnie innych pułapach, mając nadzieję, że nie wlecicie w smugi magiczne pozostałych filarów...

Zaraz, zaraz... czujecie to? Filary nagle zaczęły wibrować. Czy to możliwe, że bieguny wróciły na swoje miejsce? Czy to już koniec? Rzeczywistość się nie rozpadnie?

Uff... co za ulga.
